

# Annual Budget Drive Goal for 2017-2018: **\$650,000**

## How UUCA Spends Resources to Support **Our** Mission

### **UPKEEP**

---

As keeping up our individual spiritual lives in the midst of life's challenges takes energy and commitment, likewise our congregation needs to upkeep all aspects of our infrastructure for current members and generations to come

### **CONNECTION**

---

As connection with our spiritual selves and each other is critical for a healthy life, likewise our congregation needs worship services, religious education, small groups and pastoral support to foster deep connections among all of us and the greater world

### **ACTION**

---

As we have made justice a cornerstone of our spiritual work as individuals, likewise our congregation uses personnel and financial resources to support us in organizing for the earth and social justice work in which we collectively engage

*Consider how UUCA enriches your life in faith development, in worship, as part of a caring community, and in the pursuit of social justice, and please give as generously as you can to this year's Annual Budget Drive*

## Message from UUCA's Lead Minister

It's an exciting time to be a part of this community. Worship that touches people's lives and embraces all ages is driving Sunday attendance to historic levels, people are bringing their passion to social justice work that is stronger and better focused than ever, and people are engaging deeply in the work of faith development across generations.

As challenging as this fall election has been, we as a congregation have stepped up in so many ways to live into being the progressive hands, hearts and voices of liberal religion that these times require. That's why your support is so important to assure that we have the stable and secure funding base from which to accomplish the work that is central to our mission.

Our time, talent and money are all that we have to realize our vision – to build the connections in this community that feed and sustain us, to fully support the excellent staff that make it all possible, to spur action that changes the world. We welcome your generous commitment.

In gratitude,  
*Rev. Mark Ward, Lead Minister*

## Congregational Mission

*As a Unitarian Universalist faith community, we nurture individual search for meaning as we work together for freedom, justice, and love.*

We, Cecilia and Barbara, have come together as a stewardship partnership to serve as this year's Annual Budget Drive co-chairs. We do so in a spirit of generosity with the goal of giving back to our UUCA community what it has provided us:

- ⦿ a spiritual home both of brick and mortar and of the heart
- ⦿ connections with our fellow congregants and through them the greater community
- ⦿ a platform on which to learn and take action in matters of social justice

With gratitude for your generosity of time, talent, and money,  
*Barbara Campbell and Cecilia Rawlins*
