

What's In It for You?

The Unitarian Universalist Congregation of Asheville has **600** members, who will be exposed to your business in the advertising leading up to the Auction and during the Auction.

How your business will be highlighted for our congregants:

- Your **logo and/or photos** of your business are included in a **slide show** displayed during Sunday social hours **from July - October**.
- The **slide show** is displayed on a **drop-down projection screen** during the Auction.
- Your **business information** is included in the **printed Auction catalog** with advanced distribution online.
- Sponsors or donors at \$500 and above are given stronger emphasis during Sunday social hours and the night of the auction.
