The Unitarian Universalist Congregation of Asheville serves Asheville and surrounding communities of Western North Carolina. We welcome a broad range of beliefs in a caring community that encourages us to put our understanding and faith into action. <http://www.uuasheville.org>

We regularly provide funding and volunteer assistance to numerous community efforts including:

- **Habitat for Humanity** home construction
- **Room in the Inn** (meals and overnight shelter for women)
- Meals for the homeless in respite care at **Haywood Respite**
- **Manna Food Bank** volunteers
- **Buncombe County Schools** summer lunches for low-income children
- **Building Bridges**, and more.

Expected attendance: 250 church members and friends. The event is being widely publicized to over 600 congregants. Silent and live auctions will be held. **Major donations** will be part of the live auction.

Publicity for Donors: Church members and friends are encouraged to patronize our community donors. Donors who contribute cash or in-kind donations of at least \$500 will be featured in advance publicity (posters, newsletters and bulletins).
