

The U.S. Constitution does not guarantee equal rights for women. According to the late Justice Scalia, ***“Certainly the Constitution does not require discrimination on the basis of sex. The only question is whether it prohibits it. It doesn’t.”***

Join us to view a short film, ***Legalize Equality***, and talk with panelists who who have up-to-date information re: ERA NC Alliance!

The climate is ripe for full equality for women today by adding this 24 word statement to the Constitution:

**“EQUALITY OF RIGHTS UNDER THE LAW SHALL NOT BE DENIED OR ABRIDGED BY THE UNITED STATES OR BY ANY STATE ON ACCOUNT OF SEX.”**

Ratifying the ERA would put American women’s civil and human rights on a solid, immovable foundation, impervious to the winds of political change.
