

New Category of Donations for the Auction

SERVICES REQUESTED

Matchmaking now available at the auction!

This year we are introducing a new category of donations at the auction – **Services Requested**. We will match up people who want a service performed with members who can perform it.

How this works is:

Someone who REQUESTS a service submits the request and how much they are willing to pay for it.

The requests are included in the silent auction. At the early bidding or at the gala, anyone willing to PERFORM the requested service signs up on the bid sheet.

The requestor pays the stated amount for the service to UUCA as part of his/her auction invoice, and after the auction contacts the person who volunteered to perform it.
