February Community Plate: Children First/Communities in Schools

Children First's mission is to empower children and their families to reach their full potential through advocacy, education and services. The mission of Communities In Schools is to surround students with a community of support, empowering them to stay in school and achieve in life. [Click here to read more.](#)

We will be raising money for this fund on **February 2**, but you are welcome to make contributions anytime during February either by mail, electronically, or bringing a check into the office. Please indicate CFCS on the memo line or giving envelope.

The organization provides services, advocacy, or direct action that reflects the UU principles and values. Community Plate donations will support organizations whose leadership, e.g. administration, staff team leaders and/or board members include members of the communities that are being served.
